

Amendments to the Specification:

Please add the following new paragraph [0018A] between original paragraph [0018] and [0019]:

B1
[0018A] Figure 6 is a diagrammatic view of an embodiment of the present invention having a third probe in addition to the first and second probes.

Please add the following new paragraph [0025A] between original paragraph [0025] and [0026]:

B2
[0025A] Another embodiment illustrated in Figure 6 has three adjustable probes 16", 28", and 29" positioned adjacent each other. The sensors and scales on these three probes 16", 28", and 29" are much the same as those described above.

B3
[0026] Please amend paragraph [0026] as follows: Since numerous modifications and combinations of the above method and embodiments will readily occur to those skilled in the art, it is not desired to limit the invention to the exact construction and process shown and described above. ~~For example,~~ Accordingly, resort may be made to all suitable modifications and equivalents that fall within the scope of the invention as defined by the claims which follow. The words "comprise," "comprises," "comprising," "include," "including," and "includes" when used in this specification and in the following claims are intended to specify the presence of stated features or steps, but they do not preclude the presence or addition of one or more other features, steps, or groups thereof.
